

NATIONAL CANOPY OF PRAYER

500 DAYS OF NON STOP PRAYER 1st August 2010 - 31st December 2011

Imagine thousands of churches connected together and one million Christians praying across the UK Daily!!

That is precisely what several cities, regions and church networks want to see in the capital and nation. This year we take the bold step of raising our game in the spiritual contest for the UK. The country is at a crucial juncture in her history and only prayer and anointed action will avert imminent disaster. Global Day of Prayer London is acting as a catalyst in partnership and relationships with churches and networks up and down the country to saturate the British Isles in prayer.

We are therefore launching an initiative of nonstop prayer everyday from Sunday 1st August 2010 to 31st December 2011 which is approximately 500 days. We are in dialogue with various organisations, networks and denominations like; The Prayer Forum, The World Prayer Centre, The Salvation Army, The Redeemed Church of God, New Wine Network, Assemblies of God, New Covenant churches, Deeper Life, ELIM Churches, London Baptist Association, 24-7 Prayer, Church of God of Prophecy and many local prayer networks in Nottingham, Derbyshire, Oxford, Leicester, Newcastle, Birmingham, South-end etc.

We are urging every church in the nation to pick a monthly date to pray 24 hours for their local region and the nation.

IF WE CAN UNITE IN PRAYER AND ACTION ACROSS THE NATION, THIS COUNTRY CAN BE TRANSFORMED IN ONE GENERATION!!

Each church just needs 24 people who can commit to praying for an hour and the whole day is covered! The combined effort and unity of God's people can change the spiritual climate of our nation.

Set against massive social, financial and spiritual upheaval and the barrenness and fractured nature of much of our society, we are crying out to God 'Our Father in Heaven, Heal our Land!!'. Extraordinary times demand extraordinary prayers.

This is a Call to Action. Apparently, God wants us to organise regular Prayer meetings and outreaches despite our busy schedules. He wants us to join other Christians in local, regional and city-wide prayer gatherings and the preaching of the Gospel. He wants prayer and outreach included in our priority list.

In summary, we are encouraging every believer and church to act accordingly by doing the following:

- Pray the Lord's Prayer at 12 noon everyday along with multitudes across the nation
- Organise your church or network to choose a monthly date to pray for your local community and then pray for the nation
- Appoint a champion or team who will ensure the church/community comes to Wembley in September 2011 and contributes towards the event.

May God visit the United Kingdom once again in mercy and judgement. May the United Church rise up in the fullness of the Spirit - infused with revival fire to claim back the streets, generations and the marketplace. May the legacy of its Christian forebears not be forsaken or forgotten.

May the Lord baptist Britain with the Holy Spirit and fire from His Presence.

Shalom

Jonathan Oloyede
