Role of Isle of Man Churches

1. **Praying** for all those involved in the Festivals.
2. **Building of relationships** – make the Church and ourselves available by serving (not hiding away) from bikers / visitors.
3. **Use of pastoral and hospitality gifts.** – Open doors of churches / homes – welcoming and supporting. Our offerings, two loaves and five fish can go a long way as we step out in obedience and faith.
4. **Spiritual insight** – Pray that the Christian Community on the Island may understand how best to impact / support the TT/MGP events. Prayer in particular for Mad Sunday, Bikers Services and the Open Air Service at the Grandstand.

Thank you for joining us on this initiative – your support is invaluable to us!
